Ken Atnip

Admiral Windwagon Smith XLVI

A lifelong resident of Wichita, Ken Atnip shares memories with many who grew up in the southeast area of the city: visits to Kiddieland, hanging out at the Boeing pool, playing little league baseball, skating at Joyland Skate Center and camping with his Boy Scout troop.

The oldest of three siblings, he attended Wichita schools, including Wichita East High School, where he spent many hours in shop classes learning technical crafts, and graduated in 1975. He worked second shift while attending college, earning a Bachelor of Science in criminal justice from Wichita State University.

At 21, he began his career in law enforcement, joining the Wichita Police Department. He served mostly in investigations, including 15 years fighting narcotics and working on SCAT, the department's Special Community Action Team to deter drug- and gang-related crime. Captain Atnip commanded the Property Crimes Bureau prior to retiring after 33 years of dedicated service.

Grateful for friends and opportunities "too many to mention," that he and his family have enjoyed in their community, the Admiral has been dedicated to public service since early in his career. He is driven by these words from Luke 12:58, "to whom much is given, from him much is expected," and is focused on giving to others to pay it forward for the blessings he has received.

The admiral began volunteering on the Riverfest Operations Team, nicknamed the Red Shirts, in the early 2000's. Initially involved in Riverfest via his WPD role, he "quickly realized the importance of the event and how the work of festival staff and volunteers improves the overall quality of life for those who work and raise their families here."

He has contributed his skills and dedication to every facet of the festival, doing set-up and tear down, working with national brands and touring exhibits, keeping the festival warehouse in tip-top shape, providing experienced guidance around event security and more. General Chair for Riverfest 2013, Atnip has been fundamental to the success of other Wichita Festivals events, including Autumn & Art, Vortex Music Festival and Bracket Bash, receiving the Galaxy Award, WFI's most prestigious volunteer award.

Atnip has been a member of the Wichita Wagonmasters since 2009. He serves on the board of the Wichita Metro Crime Commission and is a recipient of their Twelve Apostles of Justice Award. He is a past president and current board member of Crime Stoppers Wichita/Sedgwick County.

The Admiral and his wife, Mylene, recently celebrated their 30th wedding anniversary. They have one son, Chase, who graduated from the University of Kansas and now lives in the Kansas City area.

MEET OUR 2019 ARTISTS

Artist-in-Residence George Ferrandi

George Ferrandi, a Brooklyn-based performance, installation and community artist, brings her Jump!Star movement to Riverfest, to celebrate and create new traditions around the eventual changing of our North Star. Throughout the festival, Ferrandi will host evening workshops

for the public to contribute to an installation in Ackerman's Backyard. Wichita State University students also are working, with the artist's guidance, to build large paper lanterns that will be carried in the Safelite AutoGlass® Sundown Parade and put on display in the windows of the former central-branch library on Main Street.

Poster & Button Artist Jay Walter

A 26-year-old designer, coder, husband and dad, Jay Walter grew up in Manhattan, Kan., and lives in Wichita. As a kid, he had a fascination with computers. At twelve, he unboxed his first Wacom tablet, which launched him down the path to graphic art and design. In high school, the artist was introduced to coding for websites, and success at his first job influenced his decision to forgo college for full-time web work. Walter designs and builds websites for Gardner Design, where he has been involved in such projects as the Sedgwick County Zoo's new website and Heartlandia stickers.
